SUMMARY

Results-driven professional with a background in business management and brand development, now looking to transition into a developer or technical product manager role. In addition to my recent experience in full-stack development, my work history brings a wealth of experience in leadership, communication, and project management that will provide substantial insights into my future roles. I'm committed to continued education, and I actively enjoy researching modern solutions for next-level user-centric design.

TRIPLETEN BY YANDEX ~ FULL-STACK DEVELOPER PROGRAM

Remote | January 2023 - January 2024

- Completed 1000+ hours of hands-on coding experience in JavaScript, React, Node.js, HTML5, and CSS3, using BEM methods, studying best practices and modern approaches to design challenges.
- Developed several responsive single-page applications, focusing on efficiency and user experience.
- Studied and implemented front-end and back-end aspects of applications, including database modeling, user authentication, REST APIs, web deployment, and modern UI/UX.
- Finished my final project using Figma, Next.js 14, and PostgreSQL to develop a business site from start to finish for a real-world client.

TEAM ENTERPRISES MARKETING AGENCY ~ BRAND AMBASSADOR - SANTA TERESA RUM

Denver, CO | September 2022 - Present

- Consistently hit 200% of my KPI targets, showcasing my ability to exceed goals and manage priorities.
- Designed and executed marketing campaigns that led to a 60% increase in product sales across my accounts in the first year, which was triple that of my 20% target metric.
- Collaborated with the local team to achieve a 150% increase in sales in the Colorado market within the first year, highlighting strong teamwork and communication skills.
- Surpassed all sales and engagement targets while managing and staying under budget.

ADRIFT TIKI BAR ~ GENERAL MANAGER / BEVERAGE DIRECTOR

Denver, Colorado | January 2017 - April 2022

- Transformed a struggling business into a profitable Denver staple, increasing sales by 30% in the first year and doubling them over my 5-year tenure. Achieved profitability within the first year.
- Fostered a team-oriented culture emphasizing personal growth, significantly reducing employee turnover and increasing average employee tenure from around six months to over two years.
- Streamlined standards of procedure to optimize operations, reducing overall labor costs.
- Identified and capitalized on new revenue streams, including to-go, retail sales, and private events.
- Managed and updated all digital platforms, including social media and WordPress sites.
