TEAM ENTERPRISES ~ BRAND AMBASSADOR, SANTA TERESA RUM

Denver, CO | September 2022 - Present

- Continue to consistently hit 150% of my KPI targets, showcasing a strong ability to exceed goals and manage priorities.
- Designed and executed marketing campaigns that led to a 60% increase in product sales across my accounts in the first year.
- Collaborated with the local distribution team to achieve a 150% increase in sales in the Colorado market within the first year, highlighting strong teamwork and communication skills.
- Managed budgets effectively to achieve all sales and engagement targets while staying under budget.

ADRIFT TIKI BAR ~ GENERAL MANAGER | BEVERAGE DIRECTOR

Denver, Colorado | January 2017 - April 2022

- Transformed a struggling business into a profitable high-end bar and restaurant, increasing sales by 30% in the first year and doubling them over a 5-year tenure. Achieved profitability within the first year.
- Fostered a team-oriented culture that emphasized personal growth, significantly reducing employee turnover and increasing average employee tenure to 2 years.
- Developed and managed a craft cocktail program that received recognition in local and national publications, balancing cost efficiency with a high standard of quality.
- Streamlined SOPs to optimize daily operations, reducing labor costs and increasing efficiency.
- Identified and capitalized on new revenue streams, such as to-go cocktails and private events, although specific revenue figures are not available.
- Managed and updated all digital platforms, enhancing brand image and awareness, though exact metrics are unavailable.

EDUCATION

TRIPLETEN BY YANDEX ~ FULL-STACK DEVELOPER PROGRAM

Remote | January 2023 - January 2024

- Completed 740+ hours of hands-on coding experience in JavaScript, React, Node.js, HTML5, and CSS3, using BEM methods.
- Implemented responsive landing pages using a mobile-first approach, with a focus on efficiency and user experience.
- Developed dynamic web applications from scratch using a MERN stack, showcasing full-stack capabilities.
